FOLDING THE FLAG

Flag etiquette dictates that every time an American flag is to be stored or presented during a ceremony, its handlers should fold it in half twice lengthwise; then starting with the end opposite the blue field, make a taut triangular fold. Handlers continue to fold the flag in triangles until the flag has formed a triangular "pillow" with the blue field showing on the outside. It's a dignified way to treat the flag, and gives a powerful touch to patriotic ceremonies.
